2 derailleurs

SHIFT YOUR MIND™

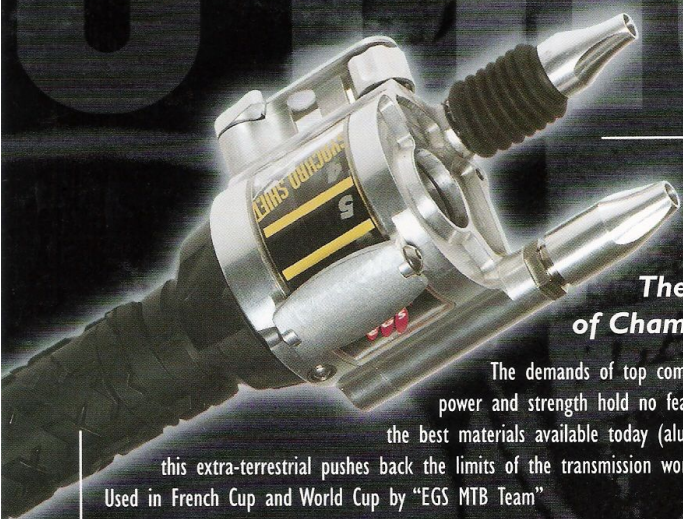

**In quest of
new sensations !**

Share with your family and friends,
the pleasure of riding. Educational and effective,
The Synchro Shift® Easy is perfect for a casual ride
in the countryside or shopping in town.
This model incorporates the full Synchro Shift® technology.

Really easy !

Easy
Casual, city

**1 shifter for
2 derailleurs**

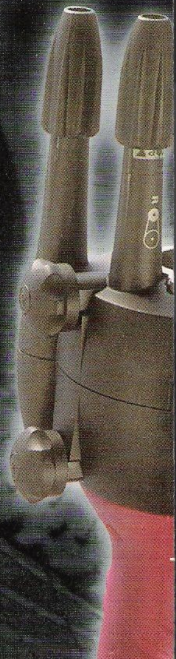

X-Pro
Top competition 1x1 or 1x7

**The gear
of Champions !**

The demands of top competition in terms of
power and strength hold no fears for X-Pro®. Made with
the best materials available today (aluminium and titanium),
this extra-terrestrial pushes back the limits of the transmission world.
Used in French Cup and World Cup by "EGS MTB Team"

**Ride in
another
dimension !**

At last, a legal way of going beyond the limits... !

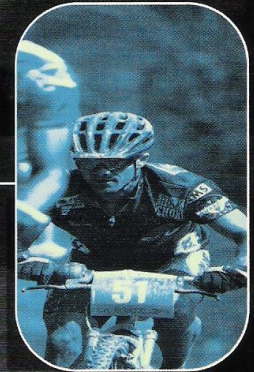

In extreme conditions or in competition, top-performance MTB winners and riders can no longer do without it. The system's technology (ball bearing-mounted followers...) guarantees accuracy and its innovative functions ensure maximum performance. Used in French Cup and World Cup by "EGS MTB Team".

Gets you in front and keeps you there !

Ultimate

*Competition 1x1 or 1x6**

Sport

*Active sport, free ride 1x1 or 1x6**

Breaking through the pleasure barrier... !

On all types of terrain and under the most demanding conditions, put some rhythm into your riding in total safety. Its components (glass fiber-reinforced polyamid) make this shifter an extremely light and shock-resistant system.

Push back the limits of pleasure in sport !

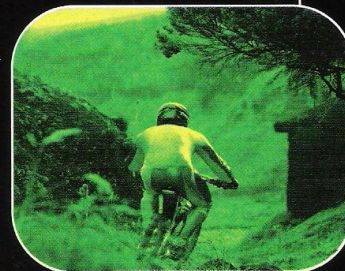

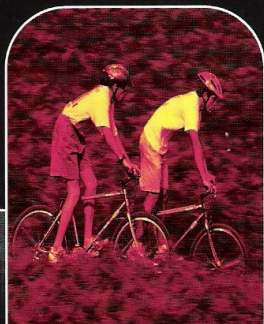

Adventure

*Leisure 1x1**

Get off the beaten track !

Because it makes cycling easier and safer, the Synchro Shift® Adventure is the perfect model for those who love nothing more than riding their bike. Designed with the same quality demands as its big brothers, this system's functions bring new sensations to cycling.

On your bike !
